

METAL WORKSHOP INTENSIVE

Hand Forged Jewelry in Copper and Silver

Begins 9AM Saturday August 5th through Sunday at 4 PM August 6th; Keene Valley, NY.

This two-day workshop intensive will create the opportunity to discover or deepen your relationship to copper and silver work combined with setting semiprecious stones. Craft bracelets, pendants and rings using traditional techniques with simple tools but producing beautiful hand crafted pieces. Most people can create at least two larger pieces during this time and more if the projects are smaller.

Course Fee: \$175 before April 15th, \$225 after April 15th .

Note - a separate supply fee for actual materials used will also be collected ranging from \$30 for working only in copper and small stones to a higher fee for larger stones and silver.

To register send a check made payable to SENSRI to:

Kathleen Morse, 71 Beede Lane, Keene Valley, NY 12943

For further details or questions email: spalight@verizon.net

Presenter: Michael D'Aleo researches, teaches and lectures on the themes of phenomena based science, education and human knowing. He has worked as both a researcher in engineering and a teacher in Waldorf high schools and teacher trainings. Michael's interest in practical experience, deep conceptual development and the integration of all aspects of our lives results in courses that are engaging, thought provoking and applicable to many different aspects of human life.

Location: Set in the Heart of the Adirondack High Peak Region, the course will take place at the newly renovated barn and mountainside cabin that houses much of Michaels' work. Located in the picturesque town of Keene Valley, NY, nature and some of the most vibrant wilderness is truly out the backdoor. Opportunities for hiking, walking, swimming or simple relaxing are always present.

Transportation: Keene Valley, NY is accessible by both car and a daily bus service. The nearest airport is in Albany NY (ALB) which is served by many major airlines. A daily bus leaves the airport early in the afternoon and arrives in Keene Valley about 5 PM.
